## Dates Set For Annual Homes Tour

Saturday, April 30, and Sunday, May 1, from 12 to 5 p.m. are the dates that have been chosen for the sixth annual Peninsula Homes Tour.

Starting from the main gatehouse in Rolling Hills, visitors will first view the warmth and friendliness of the Ernest W. Hahn home in Rolling Hills. Volcanic rock has been used in the fireplace and massive planter to keynote the scheme throughout the house.

Second on the tour is the residence of Mr. and Mrs. Clyde Dennis. A "rim of the world" feeling in the location of the property is enhanced by the glamor of the Hawaiian Modern decor.

Palos Verdes College, where refreshments will be served and art work and travel study displays offered will be open. The Advisory Council of the College sponsors the tour each year, this year under the direction of Mrs. George Van Lear.

Unique in its well-planned and beautifully integrated simplicity, the John Howard home in Portuguese Bend is rapidly becoming known as a showplace.

The fourth home, that of Mr. Frank A. Vanderlip, Jr., is also in Portuguese Bend. This home affords a striking contrast to the others, in that it possesses much historical interest. The Roman garden with its ancient pillars and a marble fountain is particularly outstanding.
